Section 1141(c) of the Bankruptcy Code nevertheless provides, among other things, that the property dealt with by the Plan is free and clear of all Claims and Interests against the Debtors. Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Persons or Entities who have held, hold, or may hold Claims, Interests, or Causes of Action in the Debtors and the Wind-Down Debtors, shall be precluded and permanently enjoined on and after the Effective Date, from taking any of the following actions against the Debtors, the Wind-Down

Debtors (but solely to the extent such action is brought against the Debtors or the Wind-Down Debtors to directly or indirectly recover upon any property of the Estates dealt with by the Plan, upon the Effective Date) the Exculpated Parties, the Released Parties, and any successors, assigns, or representatives of such Persons or Entities, solely with respect to any Claims, Interests, or Causes of Action that will be or are treated by the Plan: (a) commencing or continuing in any manner any Claim, action, or other proceeding of any kind; (b) enforcing, attaching, collecting, or recovering by any manner or means of any judgment, award, decree, or order; (c) creating, perfecting, or enforcing any encumbrance of any kind; (d) asserting any right of setoff or subrogation of any kind against any obligation due from such Entities or against the property of such Entities unless such holder exercised such setoff prior to the Petition Date or such setoff is otherwise permissible under applicable law, and notwithstanding an indication of a Claim or Interest or otherwise that such holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, or Causes of Action released or settled pursuant to the Plan. All Persons or Entities who directly or indirectly have held, hold, may hold, or seek to assert Claims or Causes of Action that (x) have been released in the Plan (the “Released Claims”) or (y) that are subject to exculpation (the “Exculpated Claims”), shall be enjoined from (i) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to the Released Claims and Exculpated Claims; (ii) enforcing, attaching, collecting or recovering by any manner or means any judgment, award, decree, or order on account of or in connection with or with respect to the Released Claims and Exculpated Claims; (iii) creating, perfecting, or enforcing any encumbrance of any kind on account of or in connection with or with respect to the Released Claims and Exculpated Claims; (iv) asserting any right of subrogation on account of or in connection with or with respect to the Released Claims and Exculpated Claims, except to the extent that a permissible right of subrogation is asserted with respect to a timely filed Proof of Claim; or (v) or commencing or continuing in any manner any action or other proceeding on account of or in connection with or with respect to the Released Claims and Exculpated Claims; *provided however*, that the foregoing injunction shall have no effect on the liability of any person or Entity that results from any act or omission based on or arising out of gross negligence, fraud, or willful misconduct. Notwithstanding anything to the contrary in the Plan, the Plan Supplement, or the Confirmation Order, the automatic stay pursuant to section 362 of the Bankruptcy Code shall remain in full force and effect with respect to the Debtors and any property dealt with by the Plan until the closing of these Chapter 11 Cases. Notwithstanding anything to the contrary in the foregoing, the injunction set forth above does not enjoin (1) a Holder of a Claim or Interest that is not a Releasing Party from taking any actions described in Article VIII.E solely with respect to any direct claim of such Holder that is not an Exculpated Claim or (2) the enforcement of any obligations arising on or after the Effective Date of any Person or Entity under the Plan, any post-Effective Date transaction contemplated by the Wind-Down Transactions, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

Upon entry of the Confirmation Order, all Holders of Claims and Interests and their respective current and former employees, agents, officers, directors, managers, principals, and direct and indirect Affiliates, in their capacities as such, shall be enjoined from taking any actions to interfere with the implementation or Consummation of the Plan. Each Holder of an Allowed Claim, by accepting, or being eligible to accept, distributions under or Reinstatement of such Claim or Interest, as applicable, pursuant to the Plan, shall be deemed to have consented to the injunction provisions set forth in Article VIII.E.
